**Objective:**

Machine Learning Engineer with 3+ years experience in NLP and computer vision.

**Education:**

M.Sc. Artificial Intelligence, LUMS, 2018-2020

**Work Experience:**

ML Engineer, AI Solutions, 2020-Present

- Built NLP models for text classification and summarization.
- Worked on computer vision projects using TensorFlow and OpenCV.

**Skills:**

Python, TensorFlow, PyTorch, NLP, Computer Vision, Pandas, NumPy

**Projects:**

- Deepfake Detection System
- Resume Screening Bot using BERT
